

Agnes mirror
Kay + Stemmer

The Parham School trained duo Kay and Stemmer have designed a mirror version of the popular Agnes range. Made in solid oak or walnut, with a clear matt lacquer finish. Agnes has the hallmarks of classical training; details include radius edges and perfect proportion. The result is a notably softened looking design, hanging with poise and a sense of visual balance. Available in two sizes. Made in the EU.

small mirror W 50 x D 2 x H 80 cm
large mirror W 50 x D 2 x H 120 cm
