

# BIG STEEL DROP

Design by e27 Berlin

STEEL DROP, light magic in a steel case.

For the new version of the e27 lamp, the precision steel light screen sits on an opaque metal base, separated by a thin band of black wood. The Traffic White model is an elegant study in black and white, while the black-on-black version emphasises the look of a technical element.

Colours / Order-no.  
top powder coated  
black 2700S  
yellow galvanized 2700GZ

top copper coated  
black 2700SKU

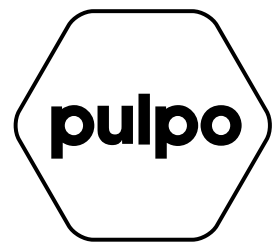

Product Light
