

SMALL STEEL DROP

Design by e27 Berlin

STEEL DROP, light magic in a steel case. For the new version of the e27 lamp, the precision steel light screen sits on an opaque metal base, separated by a thin band of black wood. The Traffic White model is an elegant study in black and white, while the black-on-black version emphasises the look of a technical element.

Colours / Order-no.		
top powder coated		top copper coated
black 2700S		black 2700SKU
yellow galvanized 2700GZ
