About the role

We are seeking a candidate who is passionate about furniture, interior design and the highest levels of customer service to join our vibrant and supportive team. The role is a full time position with the opportunity to develop a professional career within the Architectural & Design industry. As a market leader within the furniture design industry you will have the opportunity to work alongside Australia's leading Architects and Interior Designers. In this unique role you will play a key part in the specification process of Molteni & C wardrobes and Dada kitchens into the Australian market.

Desired skills & experience

The successful candidate will be accomplished in the following areas:

- A passion for high end design and the interiors / architecture industry
- Exceptional verbal and written communication
- Highly organised and self-motivated
- Demonstrated history in preparing technical drawings for architects.
- Knowledge of kitchen and joinery production
- Able to apply a common sense commercial approach to problem solving
- Exceptional attention to detail
- Ability to work in a team environment and autonomously
- Confident user of Pigreco software or an equivalent kitchen design software package
- Competent CAD skills highly favoured
- Have sound knowledge of Microsoft Office
- Must have the right to live and work in Australia

Primary Responsibilities

- Produce conceptual and final production drawings using Pigreco software
- Prepare design concepts, client presentations and pricing proposals
- Reading and interpreting architectural drawings
- Directly liaise with high end clients via phone, email and face-to-face
- Working closely with sales consultants.
- From time to time the role may require the person to assist with showroom consultations, client meetings and site visits.

What we offer

- Competitive pay rates
- Great staff discount across our products
- Recognition and rewards for outstanding performance
- Excellent training and professional development
- A vibrant, fast paced and fun work environment within a supportive team
- Career potential & growth
