

Max bar stool Andrea Stemmer

A three or four-legged bar stool made from solid steel bar and an oak seat. The light grey or dark grey powder-coated legs have a low crossbar for foot support and black rubber feet. From above the solid oak seat has a crescent shape, slightly beyond a semi-circle, and features a curved indent for comfort. This stool is a slim and balanced design with a beautifully contoured seat. Made in the EU.

three legged bar stool W46 x D40 x H73 cm
