1—  
2

Designed in 1953, the D.153.1 armchair is part of the furniture of Gio Ponti's private house in via Dezza in Milan. This re edition is produced by Molteni&C based on the original drawings from the Ponti archives. Brass structure, cover in bicolor leather or "Punteggiato" fabric, designed by Ponti for Rubelli in 1934. The fabric reinterprets the age-old technique of velvet-weaving, bringing it up to date with contemporary patterns, such as close sequences of staggered disks with various gradations of colour.

The carefully chosen leather is tanned (with chrome) and coloured (with aniline dye). All the treatments help to preserve leather's exceptional natural characteristics.

#### Fabric
