

# Standard magnets

## Fort Standard

Fort Standard has designed these small elegant wooden turned magnets that are available in assorted sets of six. They are made from either solid oak or walnut and feature very strong rare-earth magnets. Sanded and oiled, these curvaceous little items add a touch of sophistication to your refrigerator or office. Available as a set of six in a drawstring bag. Made in the EU.

Magnets      Ø6.5 x 4.4 cm  
                   Ø6.5 x 4.7 cm  
                   Ø6.5 x 2.8 cm
