

## Standard wall hooks Fort Standard

The Standard coat hooks by Fort Standard are made from solid oak and come in three different sizes. The face on each hook appears perfectly circular, but a side-view reveals a small angular detailing that really gives them character. Available as a set of four small hooks, three medium hooks or two large hooks. Oiled finish with wall-fixing supplied. Made in the EU.

set of 4 small hooks	Ø5.7 x 5.1 cm
set of 3 medium hooks	Ø10.2x 5.1 cm
set of 2 large hooks	Ø15.9x 5.1 cm
