

Timberly hall rack

Rich Brilliant Willing

The Timberly hall rack is a neat little utilitarian design that evokes memories of simple wooden toys and childhood building blocks. The rack is wall-mounted and features a grid of holes, it comes with eight pegs in three different sizes that can be fitted into the grid in any configuration. This Rich Brilliant Willing design is playfully conceived and graphic in nature. Handy for the miscellaneous in life, from car-keys, bags and umbrellas, to coats, scarfs and hats. Made in the EU.

Available in solid ash or walnut with 2 steel, 3 aluminium and 3 brass movable pegs.
