

U-light

U-light is a pendant luminaire with a 'flat' and linear though at the same time a soft and natural design. The pendant has been designed especially for the seamless T5 bulb which results in a smooth, continuous light line. U-light is ideal for the work environment but fits equally well at home or in any other setting. U-light is available in various colours and lengths (900, 1200, 1800 and 2400mm).
