

## Wire Gentle

### Technical features

colour	: 2501-2507
production method	: tufted
pile material	: 50% new wool, 50% Tencel®
pile height	: 25 mm
pile weight / m2	: 2700 gram
total weight / m2	: 3900 gram
number of colours	: 7
maximum size without seams	: 500 cm width, length unlimited
cleaning	: professional cleaning recommended
design	: Studio Linse

### Durability

Wool has a natural elasticity and is also naturally resistant to dirt.

Tencel® inhibits bacteria growth

Wire Gentle has been tested by Tüv Rheinland and is suitable for private and moderate contract market.

Not suitable for castor chairs.

This rug can be used with under-floor heating, unless it is a wall to wall rug.

### Fire safety

Wire Gentle is made of 50% pure new wool, which is naturally flame retardant.

### Sustainability

Tencel® is 100% biobased and has been awarded the prestigious USDA Certification for Sustainability.

### Maintenance

- It is important to vacuum your rug at least once a week to prolong its durability. The most effective way to remove dirt and dust is with the furniture cleaning attachment provided with your vacuum cleaner. A vacuum cleaner with a standard nozzle tends to remove less dirt and dust.
- Never use a rotating vacuum brush on this quality; this will permanently damage your rug.
- Vacuuming a new rug will produce fluff, but this is temporary. This fluff does not affect the quality of your rug.
- The ideal air humidity for wool is around 50%. Please note that if the air humidity is below 50%, the material becomes dry and its natural elasticity will decrease.
- In order to prevent wool from drying out, we recommend misting your woollen rug with water regularly.
- If rubber soles are frequently walked over a Wire Gentle rug, it will wear quicker, especially if rotating or shifting movements are consistently made in one place.
- In order to prevent heavy use on one particular location, we recommend turning your rug around once in a while.

Due to our use of natural materials, slight colour differences may occur.
